I CERTIFY THAT I have carefully examined, agreeably to the Regulations of the Navy, the above-named recruit, and find that, in my opinion, he is free from all bodily defects and mental infirmity which would, in any way, disqualify him from performing the duties of a sailor, and that he has stated to me that he has no disease contracted or likely to be inherited.

F.C. MEYER, Lt. MC-V(S)USNR

Examining Surgeon,

For and in consideration of the pay or wages due to the ratings which may from time to time be assigned me during the continuance of my service, I agree to and with W. CLAUS of the United States Navy, as follows:

(NAME OF COMMANDING OFFICER)

First: To enter the service of the Navy of the United States and to report to such station or vessel of the Navy as I may be ordered to join, and to the utmost of my power and ability discharge my several services or duties and be in everything comfortable and obedient to the several requirements and lawful commands of the officers who may be placed over me.

Second: I oblige and subject myself to serve { 2 years from 23 Feb. 1944 during minority until 1

unless sooner discharged by proper authority, and on the conditions provided by the act of Congress of March 3, 1875, as follows:

SEC. 1422. That it shall be the duty of the commanding officer of any fleet, squadron, or vessel acting singly, when on service, to send to an Atlantic or to a Pacific port of the United States as their enlistment may have occurred on either the Atlantic or Pacific Coast of the United States, in some public or other vessel, all petty officers and persons of inferior ratings desiring to go there at the expiration of their terms of enlistment, or as soon thereafter as may be, unless, in his opinion, the detention of such persons for a longer period should be essential to the public interests, in which case he may detain them, or any of them until the vessel to which they belong shall return to such Atlantic or Pacific port. All persons enlisted without the limits of the United States may be discharged, on the expiration of their enlistment, either in a foreign port or in a port of the United States, or they may be detained as above provided beyond the term of their enlistment; and that all persons sent home, or detained by a commanding officer, according to the provisions of this act, shall be subject in all respects to the laws and regulations for the government of the Navy until their return to an Atlantic or Pacific port and their regular discharge; and all persons so detained by such officer, or reentering to serve until the return to an Atlantic or Pacific port of the vessel to which they belong shall in no case be held in the service more than thirty days after their arrival in said port; and that all persons who shall be so detained beyond their terms of enlistment, or who shall after the termination of their enlistment, voluntarily reenter to serve until the return to an Atlantic or Pacific port of the vessel to which they belong and their regular discharge therefrom, shall receive for the time during which they are so detained or shall so serve beyond their original terms of enlistment, an addition of one-fourth of their former pay: Provided, That the shipping articles shall hereafter contain the substance of this section.

In the event of war or National emergency declared by the President to exist during my term of service, I oblige and subject myself to serve until six months after the end of the war or National emergency if so required by the Secretary of the Navy unless I voluntarily reenlist or extend my enlistment. I understand that when so detained the addition of one-quarter pay as specified in Section 1422, Revised Statutes, is not applicable.

I also oblige myself, during such service, to comply with and be subject to such laws, regulations, and articles for the government of the Navy as are or shall be established by the Congress of the United States or other competent authority, and to submit to treatment for the prevention of smallpox, typhoid (typhoid prophylaxis), and to such other preventive measures as may be considered necessary by naval authorities.

Third: I am of the legal age to enlist; I have never deserted from the United States Navy, Army, Marine Corps, or Coast Guard; I have never been discharged from the United States Service or other service on account of disability or through sentence of either civilian or military court; and I have never been discharged from any service, civil or military, except with good character and for the reasons given by me to the recruiting officer prior to enlistment. I am not a member of the Naval Reserve, Naval Militia, Marine Corps Reserve, National Guard, or Army Reserve.

Fourth: I understand that upon enlistment in the Naval Reserve, or upon transfer or assignment thereto, I may be ordered to active duty in time of war or when in the opinion of the President a National emergency exists, and that I may be required to perform active duty throughout the war or until the National emergency ceases to exist.

Fifth: I understand that if I become a candidate for the Naval Academy and fail to pass the entrance examination, I will be returned to general service.

Sixth: I have had this contract fully explained to me, I understand it, and certify that no promise of any kind has been made to me concerning assignment to duty, or promotion during my enlistment.

Oath of Allegiance: I, Frederick Matthew Hintz do solemnly swear (or affirm) that I will bear true faith and allegiance to the United States of America, and that I will serve them honestly and faithfully against all their enemies whomsoever, and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to the rules and articles for the government of the Navy.

And I do further swear (or affirm) that all statements made by me as now given in this record are correct.

I CERTIFY that I have carefully examined, agreeably to the Regulations of the Navy, the above-named recruit, and find that, in my opinion, he is free from all bodily defects and mental infirmity which would, in any way, disqualify him from performing the duties of his rating, and that he has stated to me that he has no disease concealed or likely to be inherited.

F.C. MEINER, Lt. MCV(S) USNR

For and in consideration of the pay or wages due to the ratings which may from time to time be assigned me during the continuance of my service, I agree to and with W. CLAUS of the United States Navy, as follows:

(NAME OF COMMANDING OFFICER)

First: To enter the service of the Navy of the United States and to report to such station or vessel of the Navy as I may be ordered to join, and to the utmost of my power and ability discharge my several services or duties and be in everything conformable and obedient to the several requirements and lawful commands of the officers who may be placed over me.

Second: I oblige and subject myself to serve { 2 years from 23 Feb. 1944 during minority until 1

unless sooner discharged by proper authority, and on the conditions provided by the act of Congress of March 3, 1875, as follows:

SEC. 1422. That it shall be the duty of the commanding officer of any fleet, squadron, or vessel acting singly, when on service, to send to an Atlantic or to a Pacific port of the United States as their enlistment may have occurred on either the Atlantic or Pacific Coast of the United States, in some public or other vessel, all petty officers and persons of inferior ratings desiring to go there at the expiration of their terms of enlistment, or as soon thereafter as may be, unless, in his opinion, the detention of such persons for a longer period should be essential to the public interests, in which case he may detain them, or any of them until the vessel to which they belong shall return to such Atlantic or Pacific port. All persons enlisted without the limits of the United States may be discharged, on the expiration of their enlistment, either in a foreign port or in a port of the United States, or they may be detained as above provided beyond the term of their enlistment; and that all persons sent home, or detained by a commanding officer, according to the provisions of this act, shall be subject in all respects to the laws and regulations for the government of the Navy until their return to an Atlantic or Pacific port and their regular discharge; and all persons so detained by such officer, or reentering to serve until the return to an Atlantic or Pacific port of the vessel to which they belong shall in no case be held in the service more than thirty days after their arrival in said port; and that all persons who shall be so detained beyond their terms of enlistment, or who shall after the termination of their enlistment, voluntarily reenter to serve until the return to an Atlantic or Pacific port of the vessel to which they belong and their regular discharge therefrom, shall receive for the time during which they are so detained or shall so serve beyond their original terms of enlistment, an addition of one-fourth of their former pay: Provided, That the shipping articles shall hereafter contain the substance of this section.

In the event of war or National emergency declared by the President to exist during my term of service, I oblige and subject myself to serve until six months after the end of the war or National emergency if so required by the Secretary of the Navy unless I voluntarily reenlist or extend my enlistment. I understand that when so detained the addition of one-quarter pay as specified in Section 1422, Revised Statutes, is not applicable.

I also oblige myself, to comply with and be subject to such laws, regulations, and articles for the government of the Navy as are or shall be established by the Congress of the United States or other competent authority, and to submit to treatment for the prevention of smallpox, typhoid (typhoid prophylaxis), and to such other preventive measures as may be considered necessary by naval authorities.

Third: I am of the legal age to enlist; I have never deserted from the United States Navy, Army, Marine Corps, or Coast Guard; I have never been discharged from the United States Service or other service on account of disability or through sentence of either civilian or military court; and I have never been discharged from any service, civil or military, except with good character and for the reasons given by me to the recruiting officer prior to enlistment. I am not a member of the Naval Reserve, Naval Militia, Marine Corps Reserve, National Guard, or Army Reserve.

Fourth: I understand that upon enlistment in the Naval Reserve, or upon transfer or assignment thereto, I may be ordered to active duty in time of war or when in the opinion of the President a National emergency exists, and that I may be required to perform active duty throughout the war or until the National emergency ceases to exist.

Fifth: I understand that if I become a candidate for the Naval Academy and fail to pass the entrance examination, I will be returned to general service.

Sixth: I have had this contract fully explained to me, I understand it, and certify that no promise of any kind has been made to me concerning assignment to duty, or promotion during my enlistment.

Oath of Allegiance: I, Frederick Matthew Hintz do solemnly swear (or affirm) that I will bear true faith and allegiance to the United States of America, and that I will serve them honestly and faithfully against all their enemies whomsoever, and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to the rules and articles for the government of the Navy.

Jan 11, 1946

Dear mom & Pop

We left Alameda yesterday morning and will arrive at port angelos tomorrow afternoon about 6:00. We are supposed to pick up some inspectors and then go out again for a day or so at what they call a full power run.

I'll be glad when that's over because all the machinery runs so fast, it seems like it will fly apart.

We traveled along about 30 miles off the coast, so land was in sight all the way.

They didn't tell us anything definite about a leave but I think they will let us go as soon as we get settled.

I stopped in to see the barings one night and had supper there. ~~that~~ John looks pretty good yet but men can't get around so good.

I bought a dozen pair of underwear and two dozen handkerchiefs. I'll either mail them home or else bring them home myself. I didn't hear anyone about the radio so I don't think we'll get them.

How is Will taking to the home cooking

Jan 14, 1946

Dear Will, Eve & D

Will & I recieved two letters from you that were mailed the 9th & 11th.

I was glad to hear F. L. is getting along O.K. with the new arrival. I just finished writing her a few lines.

We are along side the docks just outside of Tacoma Washington. It gets pretty cold here at night and plenty foggy too, but it does not snow here except in the mountains.

I got the duty tonight so I can't go on liberty. The first chance I get I'm going fishing with another guy that lives around here.

I don't know how long we'll stay here because we didn't get any orders yet. I don't even know when I'll get my leave. We'll have to do all the work on here, preserving the machinery and stuff because this isn't a civilian yard. That's a pretty big job too.

I got 28 1/2 points and that's on when near 37 points which we need to get out.

They don't seem like there going to drop on on points either. I guess the only way I'll get out of this damn outfit is when they let everybody out and drop the point system all together.

I guess I could get a transfer but I don't want one now because they'll only send

Jan 14, 1946

Dear Mom & Pop.

I just got a letter from Will and he told me Florence had a baby girl too.

I'm glad they are both do O.K. I don't know when I'll get home because we'll have to do all the work here. This isn't a civilian yard so we'll have plenty of work.

We are tied alongside the docks about two miles outside of Tacoma. We just moved here today.

Last night I nearly froze to death going from the ship to shore in a motor whale boat. It gets plenty foggy at night and that's what makes it feel so cold.

How does Fred & Florence like their new member? I guess Fred lost his bet after all.

I just got through writing to Will and Florence so I suppose you'll read Will's letter. I guess it would be better to write one letter to all of you instead of writing the same thing in two letters.

I got two rolls of film I'll take over tomorrow so I will send some pictures home when I get them back. Can you get any more film? They don't seem to have any out here.

I didn't send that box of yet but will try to get it off tomorrow. I bought a pair of shoes for Pop I'll send home with the underwear.

I got ~~off~~ the candy you send out from Fannie
May's so now I have two boxes & it.

As soon as Florence takes some pictures of the
baby, will you tell her to send some out?

I got a pretty good navy rain coat I'll try to slip
off and send it home if I can get it off. maybe I'll
have to bring it home myself.

I guess this is about all for now so I'll write
again in a few days.

P. S.

Tell pp out to be
working as hard.

Love.
Fred.

culminated in his receiving a special "Thank-you" badge on March 12, 1972 for his outstanding leadership and kindnesses toward the program. He was honored by the City of Chicago in 1973 by being elected to the Hall of Fame for his work with the Girl Scouts and Senior Citizens. Mr. Bartels was also an active member of the Golden Fellowship, often bringing special treats for the members.

Following a memorial service his earthly body was interred in Eden Memorial Park Cemetery. Along with his wife, those who are saddened by his departure are his sister Minnie (Tom) Davis, nephew Howard (Betty) Davis, sister-in-law Adeline Bartels and many, many friends.

FRED HINTZ

Mr. Fred Hintz, a member of St. Peter's all of his life, passed away January 17, 1980 at the age of 60 years. Mr. Hintz never knew another church home as his late parents, Frederick and Florence Hintz, were members of St. Peter's. Naturally, their children were brought to Sunday School and to the Worship Services.

He made his confirmation on March 25, 1924, and on June 8, 1946 Mr. Hintz was united in marriage with Miss June Oksness by the late Rev. Henry Lambrecht. Their union was blessed with one son and three daughters all of whom have been active in the church. Mr. Hintz was a loving husband and father whose family meant a great deal to him. He always thought of others first and was willing to help them in their time of need.

Mr. Hintz was an employee of Illinois Tool Works for 40 years and was a hard and dedicated worker. His interest and career

gave him the ability to fix many things around the home, too.

For the past several months Mr. Hintz was very ill but showed great courage in the midst of his suffering. He was able to be with his family for a few days at Christmastime. Pastor shared communion and meditative moments with Mr. Hintz while he was hospitalized.

Following a memorial service, his earthly body was laid to rest on Acacia Park Cemetery. He will be missed by his wife, son Fred, daughters Lynn (Gerald) Pozsgay, Janis (Joseph) Biggs, Sheryl (Michael) Kasper, sister Florence (Warren) LaGrand, brother Willis (Eveleen), many nieces and nephews.

A long and devout member of St. Peter's Church, **Mrs. Gertrude Elke-Prince**, was called to her Heavenly Rest January 30, 1980, attaining the age of 81 years.

Mrs. Prince, one of eight children, was born March 38, 1898, and was baptized and confirmed at St. John's Evangelical Lutheran Church. The entire Elke Family became members of the Church early in the nineteen hundreds, and were faithful in their attendance.

On July 24, 1920 she and Mr. Louis Prince were united in marriage by the late Rev. Henry Lambrecht. This union was blessed with three children, two of whom preceded her in death, the daughter dying at the age of one year. Being widowed, she had the responsibility of caring for her two sons.

Mrs. Prince was a devoted Christian person which brought on the desire to help others whenever she could. The Lord meant very much to her.

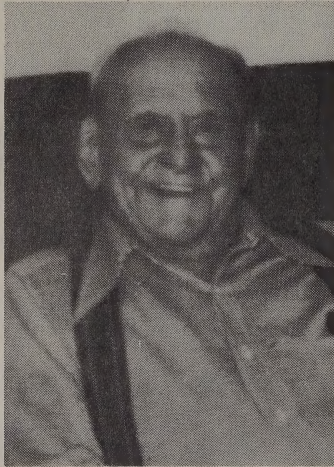

For the last several years, Mrs. Prince had been a resident at the Winston Manor Convalescent and Nursing Home where both Pastors ministered to her in prayer and meditation.

Following a memorial service, her weary body was laid to rest in Concordia Cemetery. Those saddened by her passing are the son Melvin (Helen), one grandchild, three great-grandchildren, two brothers, Chester (Clara), Herbert (Mary Alice), one sister Florence (Ted) Panos, many relatives and friends.

St. Peter's lost another pillar of the church with the passing away of **Mrs. Amelia Schoeneberger nee Finke** on February 17, 1980 at the age of 89 years.

Mrs. Schoeneberger was born and raised in St. Mary's, Ohio where she was baptized by the late Rev. Christian Badertscher, her grandfather and the pastor of the church there.

Loeb, Edith (Morton) Tubor, Geane (Calvin) Cohen, 8 grandchildren and 1 great-grandchild.

HARRY R. LORENZ

Another one of our members was called to his eternal rest during these past couple of months. **Mr. Harry R. Lorenz** passed away January 7, 1980 at the age of 75 years. He was born in Chicago November 5, 1904 and was united in marriage with Miss Ida Brennenstuhl May 11, 1929. Their marriage was blessed with three sons, all of whom attended and were confirmed at St. Peter's. Mr. Lorenz took up membership in December 1947.

Mr. Lorenz was a loving husband and father and enjoyed especially being with his family and friends. Four years ago he and his wife were able to travel to Germany together. The many happy years of marriage they shared was culminated this past May when they observed their Golden Wedding Anniversary with their family members and loving friends. Though he had been ill recently, the family was able to spend an enjoyable Christmas together. Throughout his illness he showed great courage and strength.

After a memorial service, he was laid to rest in Mt. Emblem Cemetery. Those who mourn his passing are the wife, three sons Donald (Doris), Roy (Judy), Charles (Sandra), six grandchildren, his mother, Helen Westphal, one brother, Edward and many friends.

On January 13 while spending time in Arkansas to be away from the cold weather in Chicago, God called to Himself rather suddenly the soul of **Mr. George F. Bartels**

GEORGE F. BARTELS

at the age of 78 years. His whole life was dedicated in serving the Lord and his fellow man to the very best of his ability.

Mr. Bartels was born December 6, 1901 in Chicago and was confirmed at Christ Evangelical Church in 1919. He became a member of St. Peter's in 1923.

On October 7, 1973, Mr. Bartels was united in holy matrimony with Miss Lois Thon in the Sanctuary by Rev. Warren Mueller. He was a loving husband and friend and they shared a great hope and faith in the Lord. Together they attended worship services and Bible Study in Sunday School. His love and joy in life brought much happiness and laughter into the lives of those who knew him.

His service to the Lord and others will always be an inspiration to many. He lent his services, time and talent to the Church Council as a Deacon and Trustee, was a Charter Member of the Brotherhood and was instrumental in planning the Lenten Breakfasts. As a member of the Churchmen Federation, he would travel with friends to Synod meetings on behalf of the Federation. He played a large role in the starting of the Chicago Reformation Reunion Services for all Evangelical and Reformed Churches in the entire Chicago area. In the beginning these Services were held in Moody Church and Rockefeller Chapel and then at other locations; they continued to be a part of the E & R Church program for a number of years.

Along with his first wife, Helen, who preceded him in death on November 27, 1968, he became very active with the Girl Scout program at St. Peter's. This

Ho! Ho! Ho! Merry Christmas!

December, 1995

Happy Holidays! As you may already know, I sold my house this Fall. I am now living with my daughter and her family until the Spring of 1996. At that time I will be moving into my new Condo in Bloomingdale. It's been a year I'll never forget. I've had to make so many decisions this year. My kids did all the work for me. I just had to tell them what I wanted to get rid of and what I wanted to keep.

As much as I loved my house, and I have a lot of memories there, I know I made the right decision to move. I will be closer to my family and I won't have any maintenance on the house to worry about. My neighbors were always helping me with my snow removal, grass cutting and leave raking. They were always concerned whether I needed any groceries from the store. They are the greatest!

I'm looking forward to getting settled in my new Condo. I will be located on the first floor of a three story building. They've just started building my Unit, so we will be watching the progress being made on the building. My Unit has 2 Bedrooms, 2 Bathrooms, Living Room, Dining Room, Kitchen and my own Laundry area. It is furnished with all appliances.

I've been feeling pretty good considering my hectic year. It's no fun when you want to do more and you can't, so I guess I'll just sit back and relax.

I would like to wish you and yours
a very Merry Christmas and a
Happy New Year.

Sincerely,

June Hintz

A large, intricate embossed floral design covers the upper half of the page. It features several large, five-petaled flowers with detailed centers, surrounded by long, pointed leaves and clusters of small, round berries. The embossing is subtle, creating a textured effect on the paper.

AN AMERICAN GREETINGS COMPANY

Season's Greetings

Hi and Merry Christmas! Can't believe the holidays are upon us already. It's been a long year for me, since I've been hospitalized twice. In May of this year, I had fallen down in my bathroom and had laid there most of the night. The next afternoon my daughter called me and since I was unable to answer the phone she received no answer. She immediately came over to see what was wrong. She found me on the floor and quickly called an ambulance. They did several tests and found out that I had suffered a mild heart attack which had made me very weak. After a little rest and relaxation in the hospital they let me go home.

Then, in early September, I was walking and suddenly felt dizzy. The next thing I knew I was down on the ground. Luckily, my brother was visiting with me and helped me to the chair. Since I was having a lot of pain in my hip, I was taken to the hospital to have my hip x-rayed. I found out that I had fractured my hip. We tried to let it heal on it's own for several weeks, however the pain became more intense. The doctors decided to do surgery, so I had a hip replacement done on my right hip. At this point I have been in the hospital for two months. I finally was able to leave the hospital in early November.

I am now staying at Friendship Village Health Care Facility to continue my therapy. If I can get my strength back enough I am planning on moving into their Assisted Living Section. For now I am receiving my mail through my daughters address which is:

Another year has rolled by and again it is time to say hello from Friendship Village. I have enjoyed occasional excursions for lunch with our small group here, as well as outings to the Pottery Factory, a boat ride on Lake Geneva and of course we can't forget the trip to Oberweiss Ice Cream. I actually took home extra ice cream so I could savor it for a few extra days.

This has been a difficult year for me as my sister, Anna Mae, lost her battle with cancer. Though I was not able to travel to see her, Anna and I had our special talks on the phone during her difficult time. I will always remember her kind heart and gentleness that she possessed. She will be greatly missed.

I have continued to participate in the Bell Choir over the last year. We have a small group of residents who practice together and then we perform at different functions throughout the year. We have become quite good and it is something I truly enjoy.

Bingo is always an on going event in my life. It is one of my favorites and I have won many small prizes each week. (I think I'm going to need a bigger room to display them all!)

I have been lucky to have met a special friend who volunteers her time at Friendship Village. Her name is Betsy. She visits me every week without fail, and on occasion I get an added bonus when she brings her children along with her too. We sit and play cards together, as well as look through the scrap books we have made. I am a lucky lady to have such a wonderful person take time away from her busy schedule and family to visit with me so often!

I also enjoy my visits with Lynn and Sherry. They come to see me every week. We too play cards and Yahtzee. Sherry and I have been working on some craft projects over the past year. We have been painting some small wooden boxes and decorating them to give as gifts for Christmas. I enjoy my time with my daughters.

I enjoyed a nice visit with Jan and Joe the first weekend of this month. They came in from California to visit. She gave me an early Christmas gift which was a beautiful Christmas appliqued jacket that she made for me. I will enjoy wearing it throughout the holidays.

My Thanksgiving dinner this year was prepared by Sherry and Mike, and brought to me piping hot. We reserved a private dining room and enjoyed our turkey and polish sausage feast. It was so nice to have a home cooked meal! I enjoy visiting with the family and watching the grandkids get bigger. I can't believe I have a grandson in college!

Hope you all have a safe and healthy holiday season.

Merry Christmas!

Sincerely,
June Hintz

Just wanted to let you know my Mom has moved out of her 110 room and into 219. She is now in a private room and no longer has to listen to "Hollering Harriet"!!! Her room mate Mary had deteriorated with her health so that she was yelling for Help! Nurse! and banging on the table or railing with a hair brush or back scratcher her every waking moment...and that's no exaggeration!!!!!!!!!!!!!!!!!!!!!!

It was so stressful in that environment for my Mom that I verbally complained for months. That did nothing and all I ever heard was, "Usually the person who is doing the complaining is the one that has to move out!" I was so tired of hearing this. My Mom was not the one causing the problems. The nurses were complaining, the aides were complaining and the other residents were complaining. So Monday of last week I wrote Friendship Village a two and a half page letter of complaint and told them I knew it was affecting my Mom's health. My Mom had to use the telephone to call the nurses station to ask for help, because Mary would have the call light on all day, so the Aides didn't come running in to see who needed help. I also told them that my Mom had been having chest pains and if she had a heart attack because of all this stress, or if no one came in to check on her, or if she had to use the phone to ask for help to the nurses station, while having a heart attack that there could certainly be legal ramifications to them for not addressing this issue. By Thursday they told me they would move the room mate out that this situation was certainly an exception. (Wow, I didn't know I had that in me, but I guess I did and it worked!!)

The Administrator said they had no idea this was so bad. (Now how do they not know this is so bad, when all these people had been complaining to Social Services, as well as myself on numerous occasions! Lack of communication or something???? or not wanting to deal with this situation and sit quietly by hoping our family won't complain....)

Then on Friday they offered my Mom a private room which there is a waiting list for. (I had put her on a wait list for this section and was going to make her move if they didn't move the room mate out.) However, my Mom really liked this new room and chose to move herself. So she ended up in the private room and what a difference. The room is nice and big. There are hard wood floors, there is a shower in the bathroom, and her own private t.v. Her room is near the front door, so I don't have to walk a mile to get in to see her. She is near the lounge and nurses station. Several women residents have already stopped in to say hi to her and meet her which no one did in the other section. This is a newer section of Friendship Village and what a difference. I hope this all works out for her in the long run. We'll hope she can stay in this room for a long time.

How is your Mom? I hope she is doing well. Give my love to her and tell her I miss her!!!!!!!!!!

Take care and May we find peace in this world soon! Love Sherry

Hi and Happy Holidays! Hope this letter finds you doing well.

This picture of me was taken during our Halloween Costume Party. I have a collection of clowns and thought it would be fun to dress up as one. It appeared that I brought a lot of smiles to the other residents who saw me dressed up so funny, and that was a good feeling. We had a lot of laughs.

I am still living at Friendship Village, however, I have moved into a private room. After enduring a long period of time living with a room mate that felt the need to yell for help constantly, I finally decided it was best to move into the private room that became available. I never thought I would like having a room to myself, but I can say I am very happy in my new surroundings. My new room is in a newer section of Friendship Village. My room has hardwood floors and my own bathroom with a private shower. I can now enjoy my own t.v. without having someone telling me to turn it off! So for now, I will enjoy this room for as long as I am able.

My new room number is:

BEST IN SHOW 2002

Hi Everybody! Just wanted to show every one what I've been working on in crafts over the last month. We have been busy molding dogs out of clay. Of course, I chose a Yorkshire Terrier, because we use to have one named Corkie.

We started by molding the clay into a dog shape. Next, we painted the dogs the color of our choice. The painting was followed by cutting pieces of fur and pinning it down over the dog form. The final process was trimming and shaping the fur, and adding any little touches like the eyes, bow or collar.

Once all dogs were completed, we had a dog show on Valentine's Day. There were about 20 dogs in the show all together. Several staff members and residents walked around and judged all the dogs. After about 45 minutes of judging they finally made a decision. Everyone won a ribbon, but mine was "Best in Show".

Ready for judging!

Molded after dog on right!

Blue Ribbon and my new Dog!

Winners Circle!

They are planning on displaying the dogs in a showcase to show them off. I have had so many compliments on him and have such a nice dog to keep me company now.

Monday we are going bowling and Thursday we are taking a trip to Red Lobster... Y U M!!!! I am looking forward to these outings. They should be fun.

I have become more active since I have been living in this new section of the facility. Every afternoon or evening, I play cards or dice games with a small group of residents in the lounge. The lounge is right outside my door, so it is easy for me to wheel myself out to the lounge to join them for some fun and games.

Well, take care! I hope this finds everyone doing well.

Love, June

Dear Friends and Family!

Another year has gone by and I hope this letter finds all of you in good health. I've been feeling a little tired lately, especially in the mornings. The doctors are trying to adjust my medicine, since they feel I may be having a tired feeling from one of them.

On occasion, I have been able to participate in going on outings with our small group. One of my favorite outings was when I took a road trip with the activities group to Lake Geneva. We enjoyed a beautiful day at the Lake, and stopped for a chicken dinner on our way home.

In August, my youngest daughter Sherry and her husband Mike, celebrated their 25th Wedding Anniversary. They had a nice brunch at the Itasca Country Club. During the days before the party, I was worried I would not feel well on that day and would not be able to attend. However, the day arrived and I felt great. I had a really good day. The staff got me dressed, the med-van arrived to pick me up, and away I went to enjoy their special day. It was so nice to spend time with my family away from Friendship Village.

I am participating in a Bell Choir and will be performing several Christmas songs on December 16 and 18. There are several ladies participating and we each have one bell to ring. So on our cue we must ring our bell as needed during each song. I must say, we are doing very well and the songs sound great. We have had a few nice laughs during our practices too. For instance, we were playing this very long Christmas song and it was sounding so nice, until we got to the last lady who was suppose to ring her bell to end the song and she had fallen asleep! Oh well, she woke up and we all joked about it and then practiced that song one more time.

Well, I hope your year has been a healthy and happy one too! Wishing you a very Merry Christmas and a Happy and Healthy New Year.

Sincerely,

June Hintz

12/2023

Another year has rolled by and again it is time to say hello from Friendship Village. I have enjoyed occasional excursions for lunch with our small group here, as well as outings to the Pottery Factory, a boat ride on Lake Geneva and of course we can't forget the trip to Oberweiss Ice Cream. I actually took home extra ice cream so I could savor it for a few extra days.

This has been a difficult year for me as my sister, Anna Mae, lost her battle with cancer. Though I was not able to travel to see her, Anna and I had our special talks on the phone during her difficult time. I will always remember her kind heart and gentleness that she possessed. She will be greatly missed.

I have continued to participate in the Bell Choir over the last year. We have a small group of residents who practice together and then we perform at different functions throughout the year. We have become quite good and it is something I truly enjoy.

Bingo is always an on going event in my life. It is one of my favorites and I have won many small prizes each week. (I think I'm going to need a bigger room to display them all!)

I have been lucky to have met a special friend who volunteers her time at Friendship Village. Her name is Betsy. She visits me every week without fail, and on occasion I get an added bonus when she brings her children along with her too. We sit and play cards together, as well as look through the scrap books we have made. I am a lucky lady to have such a wonderful person take time away from her busy schedule and family to visit with me so often!

I also enjoy my visits with Lynn and Sherry. They come to see me every week. We too play cards and Yahtzee. Sherry and I have been working on some craft projects over the past year. We have been painting some small wooden boxes and decorating them to give as gifts for Christmas. I enjoy my time with my daughters.

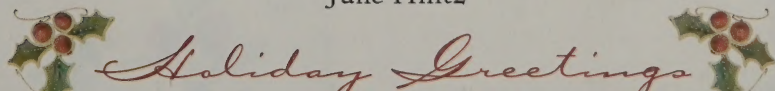

I enjoyed a nice visit with Jan and Joe the first weekend of this month. They came in from California to visit. She gave me an early Christmas gift which was a beautiful Christmas appliqued jacket that she made for me. I will enjoy wearing it throughout the holidays.

My Thanksgiving dinner this year was prepared by Sherry and Mike, and brought to me piping hot. We reserved a private dining room and enjoyed our turkey and polish sausage feast. It was so nice to have a home cooked meal! I enjoy visiting with the family and watching the grandkids get bigger. I can't believe I have a grandson in college!

Hope you all have a safe and healthy holiday season.

Merry Christmas!

Sincerely,
June Hintz

Happy Holidays to all my friends and family!

I hope that everyone is feeling well and in good health. There is not much new with me this year. I continue to participate in the Bell Choir and we will be having a holiday performance at Christmas. We usually gather a big crowd of residents and their families who come to enjoy the Christmas Spirit with us. It is something I enjoy very much and our music sounds so nice.

Over the past year, I have not been feeling up to joining the other residents on special outings. I have been getting extremely tired in the afternoons, so I lay down and rest before dinner. I still enjoy playing Bingo when they offer it. One of the residents here, likes to crochet and has made some very nice lap blankets. She has donated them to be used as prizes during our Bingo Games. I have been lucky enough to have won a few of these blankets. They are so nice to have to cover my legs and to keep me warm.

I have just joined a newly formed Bible Study Group. I have been meeting with them, once a week. It is so nice to be a part of this group and I enjoy how it refreshes my memory on the books of the Bible.

I hope your New Year will be a healthy and happy one!

"Sister-in-law"

is the technical term
for how we two are related.

But you're so much more
than an "in-law" to me
that a new name should be created.

"Sister-in-family"

sounds so much better
for someone as special as you.

And *"sister-in-friendship"*

describes how I feel
in words that are so much more true...

You're a sister in caring,
a sister in sharing
laughter and family events.
You're a sister I turn to
for great conversation
and time that's always well-spent.

I know that we didn't
grow up as sisters,
like blooms on the same family tree...
But I want you to know
on your special day
that you have a real sister in me.

Happy Birthday
Love Jane

WORLD WAR II
U. S. NAVY

Was in the U. S. Navy. Served as a Seaman on the Tank Landing Ships LST-613 and 710.

LSTs

"More than 1,000 LST's (Tank Landing Ships) were built during World War II. To meet the conflicting requirements of deep draft for ocean travel and shallow draft for beaching, the ship was designed with a large ballast system that could be filled for ocean passage and pumped out for beaching operations.

"The LST proved to be a remarkably versatile ship. A number of them were converted to become landing craft repair ships, others served as small hospital ships, were used to replenish ammunition, or were fitted with flight decks for small observation planes used during amphibious operations.

"Original specifications called for a ship 290 feet long; however within a month final plans were developed which stretched the length to 328 feet and called for a 50-foot beam and minimum draft of three feet, nine and one-half inches. The LST could carry a 2,100-ton load of tanks and vehicles. The width of the bow door and opening ramp was 14 feet, accommodating most Allied vehicles.

LST-613

Was "laid down on 21 January 1944 at Seneca, IL, by the Chicago Bridge & Iron Company; launched on 2 May 1944; sponsored by Mrs. W. D. Ford; and commissioned on 19 May 1944.

"During World War II, *LST-613* was assigned to the Asiatic-Pacific theater and participated in the following operations:

- Morotal landing - September, 1944
- Leyte landing - November, 1944
- Mindoro landing - December, 1944
- Lingayen Gulf landing - January, 1945
- Visayan Island landing - March, 1945
- Tarakan Island operation - April and May 1945

"Following the war, *LST-613* performed occupation duty in the Far East until early January, 1946. She was decommissioned on 6 January 1946 and transferred to the Military Sea Transportation Service on 31 March 1952 where she served as USNS *LST-613* until struck from the Navy list.

"*LST-613* earned five battle stars for World War II service."

Dear Mr. Hintz:

I closed the real estate transaction this morning and accordingly, I enclose:

1. Copy of the closing statement for your file;
2. Check No. 107468 for 1/2 of the net cash balance due;
3. My Escrow check No. 586 for \$1,027.76, representing the 1/2 of the earnest money after deduction of my fees.

I also enclose paid bills for my services rendered. Since the title to the property was not merchantable on the onset, it would seem the one bill (of \$350) should be shared 1/3, 1/3, and 1/3, and that perhaps could best be done at the time the account at Bell Federal Savings is divided up.

Yours truly,

*The Lord is my shepherd;
I shall not want.*

*He maketh me to lie down

*He leadeth me beside

He restoreth my soul:

*He leadeth me in the

*Yea, though I walk through

Dear Carol & Lee;

We would like to thank you for sending us the papers about the family. Also to thank you for sending the family the papers they really liked them. ^{time} It must have taken a lot of work to get all these facts together.

I had to find out when and where I was born as our doctor had filed the papers late.

So I called several churches to find out where I was Baptized & finally found the church & they sent me a copy. Then I sent it to the Social Security office.

How are you doing? Thank heaven the winter is almost over. Well goodbye hope to see you soon

Love
Aunt Evelyn & Uncle
Will.

Dear Florence;

You are looking at the letter that I am writing on the computer. I'm not very good at it now but I'm trying too bad you couldn't do this. Don was out this week and did a few things that needed doing.

I am going to get a treatment on my back tommorrow I hope it works it's pretty sore.

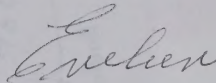

Later when I get the hang of this thing I will be able to do a lot more. Wednesday I'm going to get my hair done, I can't wait I don't know what todo with it anymore.

I got to Church Sunday {Palm Sunday} and I got a palm to hang up the last one was getting pretty sad looking'. How are you doing lately? OK I hope , as long as were feeling good I guess we should be thankful. Don put up a blind in the northeast bedroom and it looks real nice he was supposed to put up two but one was damaged and I have to take it back and get a good one.

Judy has been real busy with school its pretty busy this time of the year. I reserved two places for my neighbor and myself to see a play " Since Adam Met Eve " It is suppose to be a comady you also get your dinner the girls go there with me sometimes. Well I think I will end this ~~me~~ take care.

Love,

Eve

P.S. Hope you all have a very

nice Easter.

My fondest memories with Dad are when he introduced us to the tire rubber band guns, I just loved shooting them at Judy and Donald! He made us our very own Disney Theme Park with a boat on the pond, go-carts with a track, ice skating ring – trying to keep 6 kids happy and busy was a hard and full-filling job!

Mom, what can I say! I remember when we were little and Dad went on hunting trips how we would all cuddle in your bed together. That was so much fun. And your fur coat, how we all fought to sit next to you so that we could snuggle in it. I also remember how well you were the diplomat when we got in trouble with Dad - ! You always had the best set dinner table, with everything you could think of to eat– we never went hungry and even got our dessert.

Remember the days I stayed home 'sick' from school? I had to take them regularly so that we could have our tea parties, etc.

Judy:

Well, I guess I need to limit this...but one fond memory I have that comes right to my mind is Mom waking me up early in the morning to come in the kitchen to chat and enjoy the beautiful mornings in Grayslake up on the hill. I don't remember how old I was, but I know it was a special time for us to talk, sip...whatever, and see the beauty of the morning. Still today, I guess, morning is a favorite time of the day for me, probably because of this. There is such freshness and hope in the morning. Thank you Mom for sharing that with me at a young age.

If allowed a second paragraph, I remember how Mom attended all my concerts. That meant so much to me. With six children, she still managed to support each of us in our interests. She must have been a very busy lady. And how can I tell her how much I appreciated her finding the money to buy me a new, better tenor sax in High School and the Mark VI Alto Sax in college, when I was forced to change to alto, by the college. Thanks again, Mom, for loving me and giving me so much of your time and efforts so my future would be bright. Happy 80th Birthday, Mom. You are amazing. We all will work hard to keep your future bright the next 80 years.

Project: Memories of Mom

There are so many memories it boggles the mind! How do I pick one?

In my early years, Mom provided a very strong sense of well-being that remains with me to this day. Bits of things come back to me, Mom singing along to the radio in

her sweet, lulling, operatic voice while we were supposed to be taking our afternoon naps. The robust smell of her pot roast and potatoes brewing on the stove...and her fabulous Sunday meal spreads. I remember quaint tea parties that she held for us out of doors on a sunny afternoon. I also remember a seemingly endless supply of ice cream cones and other wonderful things that came out of that magical freezer that she stocked. Whatever it was we needed, she would somehow provide it. Indeed, there was a strong desire to stay home and never go to school!

But how to pick one memory? I think it would have to be the day that finally came due to Mom's helping me save \$25.00 in knickles, pennies and dimes. After years of pestering her, it was finally going to happen, I was going to get a horse!

After begging for years for a horse that I didn't really believe I'd ever get, there it was! Wild and crazy, whinnying and rearing up, and stubborn as a mule to boot! Dad tried to get it into the barn, but it had other ideas. First Dad tried pulling, then he tried a combination of pushing and pulling with Don's help, but the foal was headstrong and not about to be led into the barn. Finally, with all other attempts failed, Dad decided to let Mom try, and believe it or not, the darn thing walked right in! None of us who were watching could quite believe the ease at which the foal calmly walked into the barn, following Mom. I can't forget to this day.

This story kind of illustrates how Mom has always been there over the years. She may not always have liked the choices we made, but she was always there willing to back us up, if need be. She also provided us with a strong sense that no matter what the situation, there is no problem that can't be solved, if we believe.

Sandy;

Probably the most memorable story Mom and I can think of is the one about me cracking walnuts. First, I remember being at an age when I wanted to just play with my friends or just play in general. There was lots of chores to do on the property, one of which was picking walnuts. I think Mom picked most of the walnuts and put them in brown paper bags to ripen. She had bags and bags of them.

One day, she asked me to peel the walnuts after they had ripened quite nicely. You know walnut stain? Well, after this chore, I knew where it came from.

I wore gloves when I peeled the walnuts, but the gloves had holes, so the juice got inside the gloves and stained my hands. There was nothing I could do to remove that stain, and I remember trying EVERYTHING. I had brown hands. I remember going to high school with those hands. I think I tried wearing gloves to school.

After the walnuts dried, I was in charge of cracking them to get every ounce of nut out of each shell. As I said before, there were bags and bags of walnuts to peel and then crack. I cracked and cracked and cracked and figured I might as well have some fun while doing

it, so I got my cassette recorder and just started verbally venting my frustrations while recording. I started making up things about how frustrated I was about cracking the nuts. I went on, and on, and on about every little detail because I was known for being an over-actor, over-exaggerator at the time. (I remember often trying to fool Mom that I had fallen dead on the floor to get her attention.) I thought it was funny. Kyle tries that with me once in a while, and I know better.

Well, one day, after I finished the tape, I took it into the living room to play it for Mom and Dad. They laughed so hard I think they almost pee'd their pants. That job taught me hands-on endurance, that's for sure. and it is one story that I will never forget, not because of my hands were stained, and not because of the pain and suffer while cracking nuts, but because it made Mom and Dad laugh. That made it all worth while.

Thanks Mom and Dad. Sandy

Tyler:

well, my idea sort of has to do with my mom and dad, two weeks ago we were at our seasonal in the wisconsin dells. as you know i love to go fishing. so there is a pond in our campground that i usually go fishing at. so i was sitting there fishing for catfish. but then all the sudden ashley brings the skins down from a bratwurst that we were making. so i put it on for bait. two minutes later. BAM, i get a hit. i set the hook and i only had 6 pound test line and an ultralight pole. so it took me 15 min. to get it in. instead of a catfish it was a thirty inch northern pike. later on that day i caught 2 eight pound catfish and a ten pounder the next mornig.

Lynn

Hi Di!!!!!! How exciting this upcoming 80th Birthday Party.

You wanted something for your book. How's this.

I always looked forward to my summers when I got to spend a week out in the country - up on the hill. Learned how to peel apples without getting my hands really discolored. And boy, did I enjoy those homemade pickles. I could devour a whole jar. All those nights sleeping in the tent, never getting in trouble for being up too late. That was where I first learned about the Northern Lights and since then I'm fascinated with them. Now I go on the weather watch web site to see pictures of the Northern Lights.

How about the time I was swinging on the swing set. I twisted it into one tight circle and when I unspun, I laughed so hard I had an embarrassing accident. We won't mention what happened.

Also, clumsy me, falling while rollerskating with one skate on the cement garage floor

cutting my hand on a rusty old can paint brushes were soaking in, my big cousin holding my hand under the faucet, me screaming STOP, rushed to the doctors office, spilling the tub of water they had me soaking my hand in and your wonderful Mother holding my good hand while I got stiches and watching the big ceiling fan overhead. Your Mom and Dad were knights in shining armor coming to the rescue. Your Dad gave me a new handkerchief to wrap up my bleeding hand on the way to the doctors. Your parents were so calm which helped me be calm.

Also, remember SKIPPER. I always wanted to pet him but I don't think he wanted me to.

Di, hope this helps. Gery and I will see you guys at Sandy's on the 26th.

We're looking forward to it. Mom said she would like to be there but feels it would be too much for her and us. Have a safe trip.

Lynn

I wouldn't trade my childhood times spent in Grayslake for anything.

Carol

Hi Dianne,

Sherry forwarded your message to me, and I'm behind as usual. Gosh, I can't believe Aunt Eveleen is going to be 80! She and Aunt June will always be younger in my mind--back to the time when we were still kids. My mom is 86, and I find that hard to believe, too. My kids think she's more "hip" than I am, and I have to agree. :)

I can still remember Aunt Eveleen making her coleslaw--think that's where I learned to like it. And did she have chickens that had Easter-colored eggs? Now that I'm a mom, I can't imagine how she did it all--garden, the house stuff, taking Uncle Willis to the train and picking him up, and all with six children. Her gardens always turned out great, and so did all of you kids. :) And now she and I share a love of Dickens houses (think maybe I lived in one of those houses in a past life). I have houses, but it sounds like she has a *village*; and one of these days I'm going to get there to see it. :)

As you know, I'm into genealogy... The government released the 1930 federal census, and I thought you and your mom might get a kick out of seeing the first census she was listed in. It shows your grandparents, your mom and Aunt Tommy living on Farragut Ave. in Chicago. It says your mom was 6 years old. The first census you and I will show up in is the 1950 census, which won't be released publicly for another 19 years.

I hear you're moving back!!! That's great!!! :) :) :) Washington state was too far!!! :) Hope to see you soon.

Dear Carol,

Thanks for your long and very informative letter. Sorry I haven't written back sooner, but this last year was completely upside down for me!

I hope your mom and dad are doing fine. I sure wish we could get together more often. It seems the older we get, the harder it gets to see each other. I haven't seen Aunt June, Lynn, absolutely no one for a long time! Isn't that disgraceful after growing up together as we did - and now nothing!

Your daughters seem to be developing real fine? I bet you're really proud of them, and can't wait til they're out there earning 'real' money! Ha! You must send pictures of your group, especially the baby, Michael (He he!).

Your mom and Dad don't have to stop traveling, all they have to do is find "someone" that could be hired for a nominal fee to drive their car. I'm sure in this day many people would love the opportunity to drive to Chana Illinois, New Jersey or whatever, and get a small fee on top of it (Man or Women!) - Me!!

Well, I suppose you're wondering why I'm out here in Seattle. Well, little over a year ago I started seeing a guy (Joseph Tylanda) that I had first gone out with 10 yrs ago when I was going thru the divorce. We had gone together then for 8 mos. and it was great, but we both thought it was too early for any thing serious and broke off temporarily. He wanted a younger girl + new family - both of which I couldn't help with.

Joe helped to renovate my house so I could put it up for sale, lent me thousands of dollars for repairs, and was a total joy to have around. Because of his job with the Federal government having changed somewhat after 16 yrs, He had to transfer here to Wa. in Aug. Well, soon after we decided we didn't want to wait another 10 years to be together, and since Jim was living with his dad now, and Virginia was totally for moving to Wa., and the house was sold, I decided yes yes!! So here I am. It's a great adventure, I have a job as a Marketing Consultant 25 hrs/week + earn as much as I did in Illinois 40 hrs/week, Virginia loves her school and friends, and we're site-seeing everywhere, and Joe is spoiling us rotten!

Virginia and I drove out here just before Christmas - $4\frac{1}{2}$ days, and that was quite exciting. We used my station wagon, and filled it up with clothes, and a small 2' travelling x-mas tree! Hehe!

We will probably be moving from here in Aug because Joe is requesting another transfer (he doesn't like the people he's working with), and we're hoping W.Va will be the place he ends up with, it's one hour from Pittsburgh where his relatives live and his mom.

If you send me another form to fill out, I promise to do it this time. The other one is packed somewhere in storage in Illinois.

Well, take care, and write again soon, it was great hearing from you.

Love,
Jane

Our families have been our rocks, teaching us important morals and attitudes and giving of their time and love unconditionally.

Our friends have molded us and allowed us to become the persons we were destined to become. Traveling down life's bumpy path, we have learned essential life-lessons together that have made all the difference.

You have laughed with us cried with us outraged with us sighed with us. You celebrated in our greatest victories and comforted us in our most devastating defeats. We are forever grateful for all that you have been to us and will continue to be.

Carol, it was fun to see your mom + Warren last summer - at least for a short visit. They seem to be doing great!

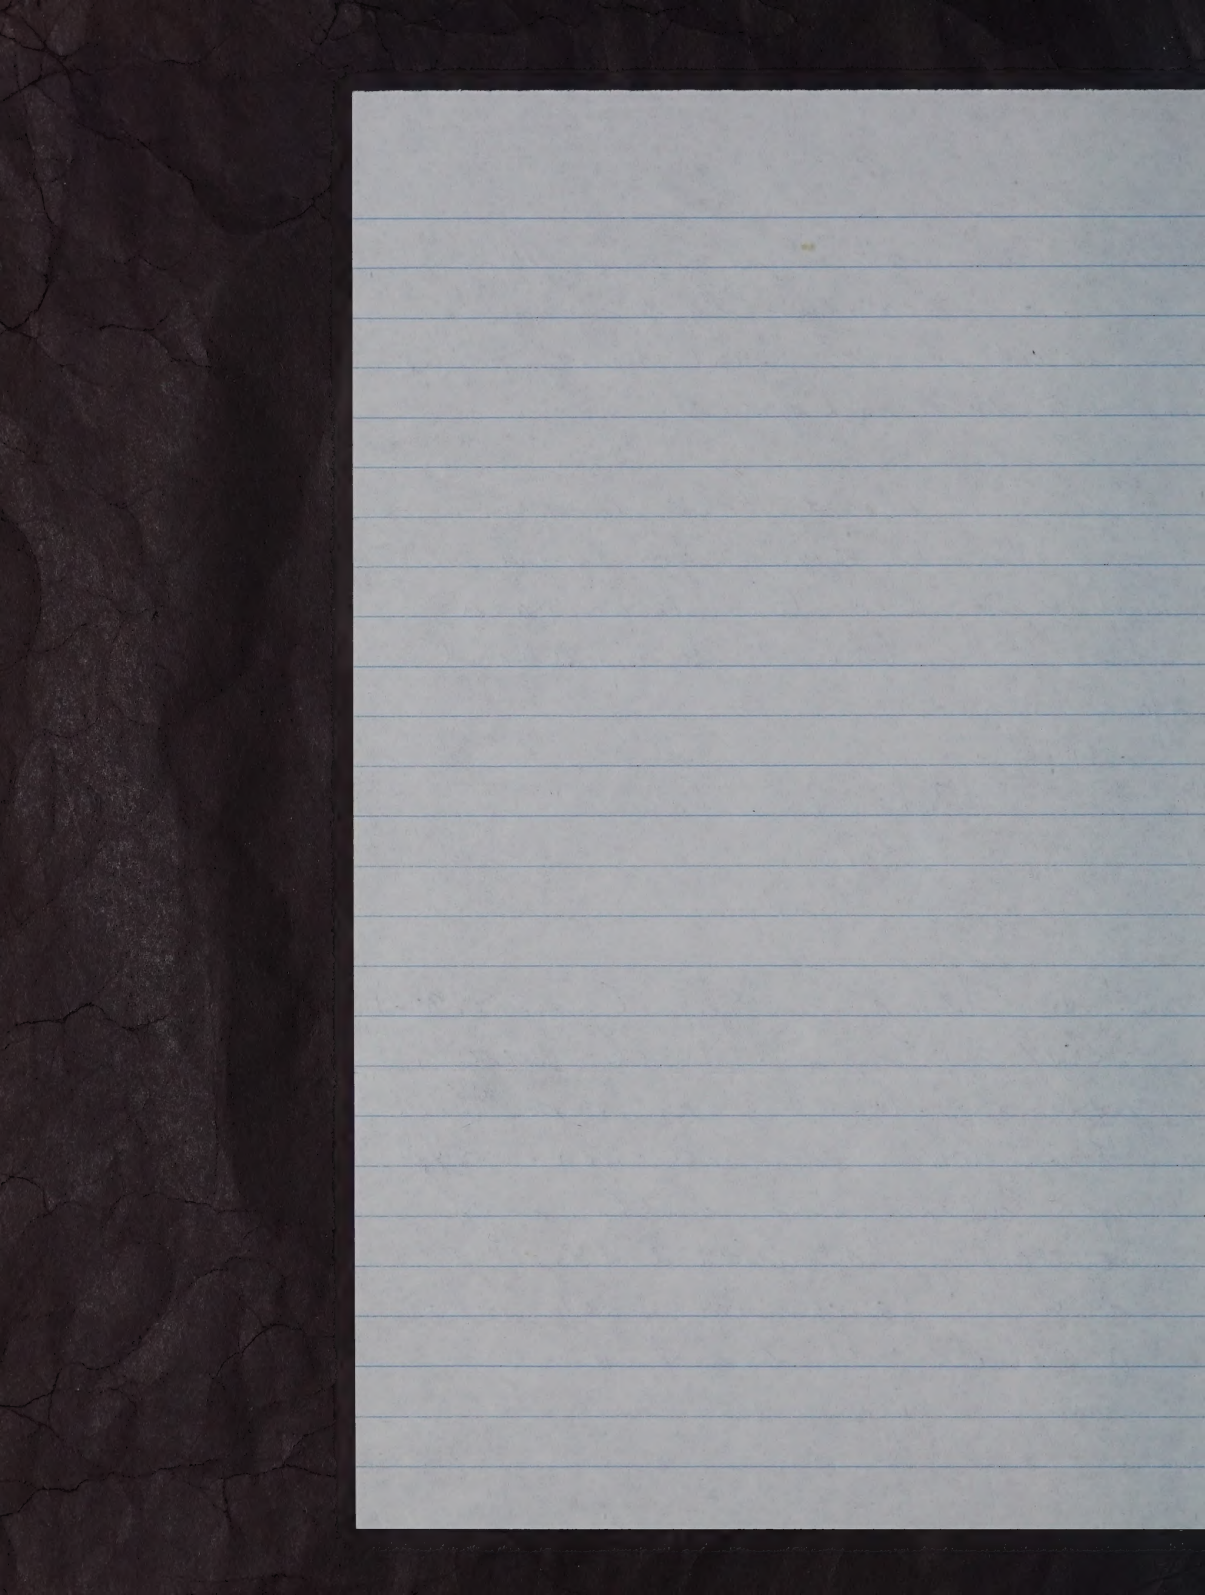

Well, I'll get back to work here. Thanks again for your "Tree work" and Christmas card note. We love to hear about you all.

Take care.

Love,

Judy

P.S. We have a "new" pup (Jan. 8, 1990!) - Biff MacGregor... another Westie, after we lost McTavish + Ms. Mac. Rusti (our Golden retriever) + Biff get along sooo well. Biff certainly has livened Rusti + brought laughs for us all - what a cutie. Too bad I can't mention pet on the "tree" - ha.

Hi Carol, Sue, Mikey '

Thank you so much for all your "family tree" work. It is all fascinating and precious. How you found time to investigate, I'll never know. You seem quite busy with family and work alone. It must have been another labor of love.

We're having a snow day today and I thought there is no better opportunity to write you and fill out the "Family Group Sheet" - finally! I apologize for being so slow.

Gary & I are doing well. It is a busy time of the year, signing business for Spring & Fall - it's always an anxious time as well, consequently. In the Fall, he is just frantically running the signed business - but that is normal.

Over

I've been very busy since before Christmas, getting ready for "Spring Sings" at each of my 3 elementaries. The first one is next week, the 2nd in April, the 3rd in May. Then you may hear an incredible "whoop, Hurrah" from Illinois.

For the first time, I believe, I didn't get Christmas cards sent out this year. 'Forgive me!' We did "think" of you! And we did have my family for Christmas - quite a large group now. A busy few days, but what a joy... I just wished the time hadn't gone so quickly the day they were here. The little toddlers were so cute and the teen-agers so grown up. It won't be long now + we'll have opportunities to get together because of weddings!

Hi Aunt Florence,
Well, this fall has been very
different being retired. Lots more time
spent in the kitchen, walking in the
woods with "Molly," the new Golden Retriever
pup (as of September 18), training Molly, helping
Gary get through his busy fall, a Bible
study group, Band rehearsals, taking
better care of "home" and many other things.
I hope to sew & paint some this winter - looking
forward to that!

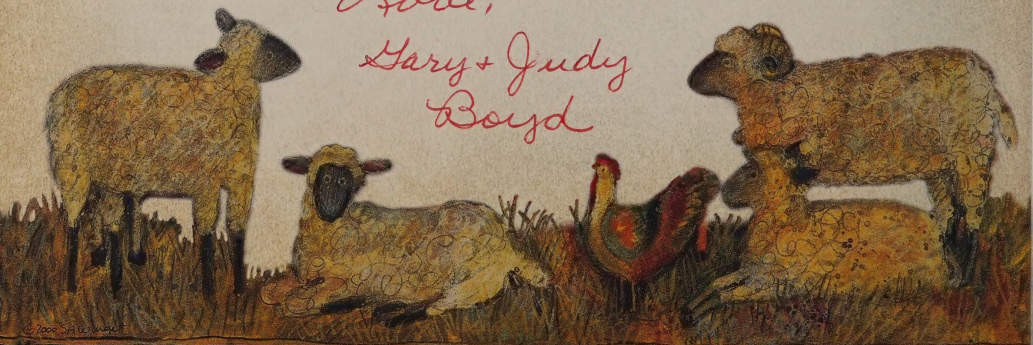

I included a couple photos of home - after a pretty snow.

May You find

Merry Christmas!

The Aunt Florence,
I hope you are well

Mom got a nasty case of the

flu. I'm glad I can't go
there! However, she'll go to
Honolulu today to stay with Mandy
while Dorand Chia are in
Hawaii. So I will go to Mom's

she takes it easy. I'm
bringing turkey soup - a good

week & hope she'll be okay

May the meaning of

May your friendships be stronger,
May your Hopes be brighter

Hi Carol + Lee,

Sorry it's taken me so long to return your fact sheet. I kept saying to myself that I wanted to include a short note and a picture of my kids. It's so hard to believe so much time has flown by. My Deek (47) and Kyle (27⁸) seemed to grow up so fast. Motherhood is not an easy job. I worked at Baxter for 12 years and luckily got released when they dissolved our department. It was a "blessing in disguise" for me. I had so many baby sitting problems, I didn't trust anyone and had every right to do this.

Hi Carol + Lee

Sorry to take me so long
to return your last photo
I put writing to myself
that I wanted to include
a short note and a picture
of my kids. It's so hard
of to believe so much time
has flown by. My third son
and I left 2 1/2 weeks to
grow up so fast. November
is not an easy job - I
worked at Boring for 10
years and finally got
released when they needed
our department. It was
a "blow in disguise"
for me. I was in
myself doing nothing
problems. I didn't take
any more and had every
right to be this

I had so many problems I was going to quit my job anyway. This period of my life has been some big adjustment. When I worked, I was functioning at about 200 miles per hour which included my job at Baxter, my mothering duties, household duties, wife duties, and all the other time-consuming tasks. For some reason I thought I would have all this time on my hands when I left Baxter. I found out just the opposite, it's a lot of work, if not more. Do stay home with your children. I've enjoyed the time I've spent with my adorable—

children. Well, I hope
1991 turns out great
for your family. It would
be great to see your
family and visa-versa.

Thanks for all the hard
work you put forth putting
together on the family
genealogy.

Hope to see/hear from
you soon.

Sandy
